Robert W. Decker Pediatric Department

8AM-5PM - Monday - Friday
Children ages 0-12 with developmental disabilities
Applicable medical insurance will be billed, uninsured will be seen on sliding scale basis
Family must fill out application available on the website and submit for processing
All counties in Texas
The Child Study Center serves children from birth through 21 years of age who have or are at risk for developmental disabilities. The Pediatric Department sees children with the full range of developmental difficulties and associated disorders. Neurodevelopmental and behavioral pediatrics
staff the program. The Center is the only source for this subspecialty in Tarrant County. Neurodevelopmental and behavioral pediatricians evaluate the interaction of medical/biologic factors with development. Common diagnoses served include: Attention deficit/hyperactivity disorder, Autistic Spectrum disorders, Behavioral disorders, Developmental delay, Developmental difficulties associated with syndromes and other developmental differences, Learning disabilities, Mental retardation, Motor disorders. Neurodevelopmental and behavioral pediatricians focus their entire professional practice on diagnosing and treating children with developmental and behavioral disorders. The diagnostic process involves physical examination, observation, and sometimes developmental or medical testing. The pediatrician frequently serves as the director of a team of specialists to design a program of care that benefits the child and the family. Ongoing developmental pediatric care may involve repeated screening or testing, prescribing medication and supervision of the program of care. If questions, please call Client Services at 817-390-2900

Psychology
8AM-5PM - Monday -Friday
Ages birth to 21 years with developmental disabilities
Applicable medical insurance will be billed, uninsured will be seen on sliding scale basis.
Family must fill out application available on the website and submit for processing
All counties in Texas
The Psychology department provides comprehensive diagnostic evaluations which include comprehensive review of historic information and school records, testing of intellectual and academic functional levels, behavioral observations, and psychiatric symptom interviews. Recommendations may be made for further testing, school, and behavioral interventions or therapies. Many therapeutic interventions such as psychotherapy, social skills training, and parent education workshops are available through the department. Members of the psychology department also provide consultative services to children in the Child Study Center School. Early identification and treatment are vital to improving the quality of life for a child with a developmental disability. The long-term effects of developmental disorders can impact every area of life. The Psychology Clinic strives to help each child reach his or her potential and enjoy a happy and productive life.

Jane Justin School at the Child Study Center
(817)390-2831
8AM-5PM - Monday -Friday
Children age 3-12 with developmental disabilities
A tuition is charged.
Family must fill out application available on the website and submit for processing
All counties in Texas
Children with developmental differences excel in learning because of individualized instruction in small classrooms, master’s level teachers and teachers aides that provide a unique educational setting for children with developmental disabilities. Recent testing has shown that students enrolled in the Jane Justin School gain 16 months in academic and developmental skills in a normal 9 month school year.

Autism Services Department
(817)390-2880
8AM-5PM - Monday -Friday
Texas residents with an Autistic Spectrum diagnosis aged 3-8 years of age
Fees are assessed on a sliding scale based on income.
Family must fill out application available on the website and submit for processing
All counties in Texas
The Autism Services Department provides educational opportunities to children with a diagnosis of Autism Spectrum Disorder using methods based on principles of Applied Behavior Analysis (ABA). Children accepted into the program attend up to 30 hours per week of one-to-one instruction with a tutor under the supervision of Board Certified Behavior Analysts and a Ph.D.-level professor from the University of North Texas, Department of Behavior Analysis. A medical social worker provides family support and help finding additional resources for children with Autism. The Autism Services Department works collaboratively with the Psychology Department for thorough testing and social skills training and with the Pediatrics Department for diagnosis and treatment services. Initial funding of this department was provided by a grant from the State of Texas Department of Assistance and Rehabilitative Services.

NiGrads
(817)390-2980
8AM-5PM - Monday -Friday
Contact Meredith Okruhlik at 817-390-2900
All counties in Texas
The NiGrads Department provides screening for children who have graduated from Neonatal Intensive Care Units (NICU) of local hospitals. Studies show that a large percentage of "NICU" babies are at high risk for developmental disabilities and associated disorders. With screenings at 6 months, 1 year, 2 years, and 3 years of age, pediatricians can recommend a treatment plan at an early age if delay is diagnosed.

Children's Advocacy Center for Denton County

Group Treatment Program for Eating Disorders
9AM - 9PM - Monday - Thursday and most Fridays
Ages 14 and up pending evaluation for group
Cost of treatment, if needed
Initial Evaluation is a 2 hour structured interview
Denton County
Develops educational tools related to eating disorders and preventing eating disorders. Funds individuals who would not otherwise be able to receive care. Because eating disorders are varied, not everyone is a candidate for group care. We work to individualize care plans. Some clients need group and others do best with individual sessions and sessions with dietitians.

Senior Eye Care Program  
Seniors  
Lewisville  
The Senior EyeCare program ensures that every senior has access to medical eye care and promotes annual dilated eye exams. It raises awareness about eye-related disease, including cataracts, provides free eye care education materials and facilitates access to eye care at no out-of-pocket expense for eligible seniors. The Glaucoma EyeCare Program promotes early detection and treatment of glaucoma. It raises awareness of glaucoma risk factors (family history, race and age), provides free glaucoma materials and facilitates access to medical care. People may call the toll free number anytime, for themselves and/or family members and friends, to request free eye care educational materials (for either program described above) and determine if they qualify for a referral to the EyeCare America's 7,500 volunteer ophthalmologists nationwide.

Services to the elderly and their families; some disabled. $60 hour. Call Geri Sams  
Denton County  
Professional Geriatric Care Managers specialize in assisting older persons and their families with long-term care arrangements by providing confidential consultation, assessment/planning, and care management services for older persons with cognitive or physical decline. Geriatric Care Managers act as a liaison to families at a distance, making sure things are going well, alerting the families to problems and can assist with moving an older person to or from a retirement complex, assisted living residence, personal care home or nursing facility. In addition, PGCMs can assist with arrangements for in-home help and other community services; review financial, legal or medical issues and offer referrals to geriatric consultants to avoid future problems and to conserve resources; and offer crisis intervention, counseling, support and consumer education. Geri-Options is a member of the National Association of Professional Geriatric Care Managers.

Small intake form North Texas  
Provides individuals with vocational evaluations, job readiness services, and job placement.
Community Coordination and Mobilization
North Texas
Interagency advocacy and facilitation to improve chemical abuse prevention, intervention, education, and treatment services. Provides public awareness campaigns and leadership for coalition-building. Some coalitions, such as the Alliance on Underage Drinking (ALOUD), work to improve environmental and social policies as well. Staff and volunteers conduct campaigns year-round.

Texas Alliance for Drug Endangered Children (TADEC)
North Texas
Formed to protect Texas children living in volatile drug environments. Advocates for intervention on behalf of these children and urges communities to build collaborative, effective Drug Endangered Children (DEC) coalitions to provide coordinated services and support for these child victims. Provides communities with education and technical support to build and sustain DEC coalitions and educate the multidisciplinary professionals involved in DEC cases. DEC trainings are provided throughout the year and staff is available M-F, 8AM-5PM to help support area coalitions.

Tobacco Prevention
North Texas
Presentations to schools and other community groups concerning tobacco risks and prevention. Retail compliance checks, coalition leadership, and public awareness campaigns. Most activities take place year-round, M-F, 8AM – 5PM.

Prevention Resource Center
North Texas
Regional reference library with books, journals, pamphlets and videotapes assists local prevention efforts, and is open to the general public daily during operating hours. A web site (www.prc3.org) provides educational assistance 24 hours a day, seven days a week. Most materials are free, and many are available in Spanish. Includes speakers' bureau, health and information fairs, public awareness campaigns, and coalition leadership. Serves the 19 county area of Texas' Health and Human Services Region 3: Collin, Cooke, Dallas, Denton, Ellis, Erath, Fannin, Grayson, Hood, Hunt, Johnson, Kaufman, Navarro, Palo Pinto, Parker, Rockwall, Somervell, Tarrant, and Wise Counties.

Information and Referral
(214)522-8600     (214)246-HOPE (4673)
North Texas
Trained specialists provide daily assistance to callers and the general public seeking information on alcohol and other drugs, and/or referral to available services throughout the community. An extensive web site provides information about alcohol and other drugs (www.gdcada.org). Walk-ins are welcome from M-F, 8AM-5PM. Telephone calls are answered during this time period. (214)522-8600 or (214)246-HOPE (4673).

School-based Prevention
North Texas
Alternative Schools - A proven substance abuse prevention program (‘Project Toward No Drug Abuse’) focuses on the major social and psychological factors contributing to substance use/abuse. The program targets junior and senior high school students in alternative education programs, and is currently taught to students within independent school districts located in Dallas, Irving, Grand Prairie, Lancaster, and Duncanville. The curriculum is taught M-F on most school days August-May. Mainstream Schools – Implements social norms campaigns that utilize youth teams to correct misperceptions about student drug use and, ultimately, unhealthy behaviors.

Juvenile Diversion Program
North Texas
Knowing where and when to get help is difficult for parents of youth with behavioral problems. In collaboration with the Dallas County Juvenile Department, this program educates at-risk youth and their parents about family roles and effective parenting skills. Teens learn to make healthy decisions based on realistic information and self-discipline. The program is offered twice monthly on the 2nd and 4th Monday evenings.

HIV Outreach and Prevention
North Texas
Locates and supports people affected by chemical dependency and HIV. Outreach workers visit targeted areas to connect individuals with needed services. Services include HIV testing, information, activities, referrals, and education to those already living with substance abuse and HIV, and to those who are at risk for HIV and other sexually transmitted diseases. Street outreach is conducted M-F, 8AM – 5PM, year-round, and includes some evenings and weekends.

HIV Early Intervention
North Texas
Provides comprehensive intervention services to people facing the unique set of challenges of living with chemical dependency and HIV. The program provides substance abuse assessments, intensive case management, and support (medical, dental, optical, mental health services, etc). Services are offered at our Lemmon Avenue location M-F, 8AM – 5PM, plus weekly at other locations. These include Health Services of North Texas in Denton and Plano, and Homeward Bound in Oak Cliff.

9:00AM - 5:00PM - Monday - Friday
HIV+, low income
Case management intake need, referral required.
Denton, Hunt, Collin, Rockwall and Kaufman counties
Transportation services are provided for clients to access medical and social services. Case managers refer clients to transportation coordinators who schedule transportation to and from appointments. Although transports to medical and mental health appointments are the first priority, every effort is made to accommodate transports to other social service appointments.

Guardianship Program
(940)381-1501  (940)566-8059
9:00AM - 5:00PM - Monday - Friday
Denton County Probate Court Referrals, indigent county clients
Denton, Hunt, Collin, Rockwall and Kaufman counties
Guardian services ensure that clients reside in a safe and appropriate environment, that clients are treated with dignity and respect, and can address medical, end of life, and social needs. A detailed, legal process evaluates and determines if guardianship is needed to aid the individual in decision making as well as to protect a person from abuse, exploitation and neglect, including self-neglect. HSNT staff members who are specially trained social workers serve as decision makers for individuals when they can no longer make or communicate safe or sound decisions for themselves or when no family member or friend is willing and/or qualified to serve as guardian.

Housing Assistance
(940)381-1501  Fax (940)566-8059
9:00AM - 5:00PM - Monday - Friday
HIV+
No fee for agency service.
Clients pay 30% of their income toward their housing
Denton, Hunt, Collin, Rockwall and Kaufman counties
Housing assistance services are offered for people living with HIV/AIDS. Case managers provide referrals to other community programs for those without an HIV diagnosis. Services such as long-term assistance with rent or short-term assistance with rent, mortgage, or utility costs can provide the necessary support to remain healthy and to promote economic self-sufficiency. Housing assistance can prevent homelessness as well as assist homeless clients who are transitioning into affordable housing. For clients transitioning from homelessness to independent living, intensive case management includes innovative approaches to increasing skill, income, and self determination.

Insurance Assistance
(940)381-1501  Fax (940)566-8059
9:00AM - 5:00PM - Monday - Friday
HIV+, low income
Denton, Hunt, Collin, Rockwall and Kaufman counties
Insurance Assistance allows clients who are living with HIV/AIDS to keep medical insurance coverage and maintain established medical care. The program offers financial assistance to clients who can no longer afford to pay for their medical premiums, co-pays, or deductibles. Case managers assess and refer clients to the program.

Varies (Monday through Saturday)
Social Skill Instruction - through the use of Drama
This program is for children, age 6-16, within the Autism Spectrum, Attention Deficit, or in Gifted and Talented Programs.
$160 per month (4 sessions), a sliding fee scale is available
1 hour intake session (parent and student interview)
Denton and FortWorth (surrounding areas)
Social skill instruction focuses on different social concepts such as: emotions, communicating appropriately in a conversation, learning unwritten social rules in the classroom, increase empathy towards others, elements of non-verbal language and much more. A "blue screen" is used so students can be at different places while role-playing. Each student has his own client page so that he can view videoclips that are recorded at each session. Lessons are offered in groups as well as individual formats.

Employment Assistance
Client must provide proof of residency and identity and must live in area served
Carrollton, Farmers Branch, Addison, Coppell and zip 75287 in Denton County
The MSS employment program will assist individuals with one or more of the following: Individual job counseling, employment skills training, support services and information for other needs, and referrals to other agencies. Every client meets with an employment counselor who determines their current needs and develops a program plan to meet those immediate needs. Clients are also assisted in determining current barriers and how to lower these barriers in order to find employment or upgrade employment. Once solutions have been identified for current needs, counselors discuss future goals. Counselors then work with clients to develop a self-sufficiency plan that addresses how the client can achieve these future goals. Clients are encouraged by counselors to continue their efforts in finding employment by providing them employment leads. Counselors also provide follow-up appointments. MSS offers skilled training to help with resumes, interviewing, and completing applications. We also offer many referrals to improve education, language skills, or to deal with citizenship issues. MSS provides clients the opportunity to use computers, printers, fax machines, phones, and copier equipment to assist them in obtaining and preparing for employment success.

Comprehensive Emergency Assistance
8:00AM - 5:00PM - Monday, Tuesday, Thursday and Friday;
8:00AM - 7:00PM - Wednesday; 9:00AM - 1:00PM - Saturday
Client must provide proof of residency and identity and must live in area served
Carrollton, Farmers Branch, Addison, Coppell and zip 75287 in Denton County
Provides short-term emergency assistance to improve life situations of residents. During the qualification process, MSS assists families with one or more of the following: Housing assistance, utilities assistance, food, clothing/household items, bus passes/gas vouchers, medical needs, assessment and referral and seasonal programs. MSS provides services for families who are in crisis, due to insufficient income, or resources to adequately meet their needs. Caseworkers develop a program plan with families to stabilize the crisis and move the family toward self-sufficiency. In order to achieve this goal the agency makes referrals as needed for employment, budgeting, food stamps, child support, education and legal aid. Caseworkers follow up on the referral process to determine the clients' progress. This plan and the financial assistance provided by the agency fundamentally change the family's economic situation and move them towards independence.

Mothers Against Drunk Driving (MADD)

Phoenix House of Dallas - Feinberg Academy is a residential treatment facility that serves adolescent males and females ages 13-17 who struggle with substance abuse as well as co-occurring mental health issues. The Academy combines substance abuse treatment with daily on-site education programming provided by the Dallas Independent School District. The Phoenix House program is a modified therapeutic community model with multi-phases and other evidence-based practices designed specifically for adolescents. Our Dallas Academy provides a full range of residential recovery care. Phoenix House of Dallas also offers an intensive after-school outpatient program for male and female adolescents ages 13-17 who are in trouble with drugs and alcohol. During treatment, teens work to rebuild their self-esteem as well as learn to control anger and impulsive behavior, make positive choices, manage stress and plan for the future. Out patient services available for adults in Dallas and Houston offices.

Students who qualify for special education, ESL or learning differences, services K-12th grades.
Call for more information
Serves children and adults who are visually or physically disabled and/or learning differentiated by transcribing printed material to an audio format.

Recorded Books - Adults
Anyone who is unable to read or hold printed materials
Call for more information
Adults who are print impaired may request a book be sent from the catalog of over 3700 titles we have ‘in house’ or request that we read a book for them. The listener may keep the recording.

A Radio Reading Service
Anyone who is unable to read or hold printed materials
None, unless they want to subscribe to screening for a monthly charge
Application
50-60 mile radius from our Cedar Hill tower
Radio units are provided free of charge to anyone who is certified by a physician or social worker to be print impaired. Services are free of charge but we do ask that the radio be returned to the agency should the listener no longer need it. Programming consists of local, state and national newspapers, magazines and serialized books, several self-help shows (i.e. Cooking in the Dark, The Blind Handyman, etc.), travel, jazz, and a myriad of other segments. We broadcast 24/7, 365 days per year.

Participants be at least 3 years of age with emerging head and trunk control.
Requires a physician release.
10 week session: $350; sliding scale scholarship available.
North Texas area
Riding Unlimited is a NARHA Premier Accredited Center. Classes are taught by NARHA certified instructors that develop and follow lesson plans designed to benefit the participants. Trained horse leaders and sidewalks volunteer their time to ensure the safety of our riders. Riding Unlimited's therapeutic horsemanship riding and carriage driving programs are dedicated to enabling North Texas disabled community by enhancing their physical, social, educational and emotional abilities. Building strength, courage and confidence is what the program is all about. Our name exemplifies the ultimate goal for any rider - encouragement to pursue their own unique ability.
Program goals: Therapeutic Riding is based on individual needs. Goals may include improvement in muscle tone, range of motion, rhythm, muscle strength, balance, and coordination. Riding and carriage driving instruction goals may include improvement in attention span, spatial relations, sensory awareness, sequential performance and reasoning skills. Horsemanship skills that may be developed include cantering, posting, carriage driving, and stable management. Riders may participate in demonstrations, competitions, and Special Olympics Equestrian events at the local and state level.

Family Re-Connect

Individual must be on disability, adult age (18-up), any disability income (income received from Pension Income, Veterans Income, or Private-Family Pay). Will work with disabilities such as: Schizophrenia (with or without voices), Bipolar, Mild Depression, Physical Disabilities, Mild-Moderate Retardation and Adult Foster Care recipients. We work with some non-violent ex-offenders with a genuine interest in making a positive reform in life.
Sliding scale up to 90% of SSI/SSD which includes: rent and utilities in full, 3 meal preparations each day, daily activities, some field trips, medication reminders, refills and

37
monitoring, staff available at all hours, cable TV in each room, transportation to doctor appointments and follow-ups.

Telephone interview
Denton, Dallas, and Ennis counties and the cities of Ft. Worth, Hurst, and Bedford
To re-establish family bonds that may have broken down due to family conflict or abandonment by providing social engagements, activities and field trips as opportunities to create a fun, stress free environment to help rebuild the lines of communication that have dissolved over time.

Destination/Education
To install the philosophy of “The More You Know - The More You Grow” through offering obtainable educational goals such as computer training, job training, GED programs, recreational arts and crafts and other courses that help accomplish professional and life skills.

It’s All Clear
To prepare nutritional meals three times a day and assist with medication reminders to maintain mental and physical clarity and stability. Our services assist with doctor appointments, pharmacy pick-ups and medication reminders. We find that these necessities were often neglected due to working relatives or homeless situations.

Spiritual Me
To offer the philosophy that we are not alone and don’t have to deal with the burden of this world by ourselves. To provide fellowship through prayer meetings and Bible study.

Strive for Home Pride
To model and teach how to manage and maintain a clean home environment, to coach how to cook, to show the value of respect for others, to provide a caring, stable and nurturing home environment and to incorporate self-acceptance and enhance self-esteem.
